Common prescriptions as an  
alexipharmic, its Dose is from  
11 grs to ʒss.

*Lapis De goe.* it passes for  
an excellent Cordial & is also  
given in fevers as an alexip  
harmic, the Dose is from 5 grs to  
a Scruple or ʒss.

Tartarum Emetium: Emetick Tartar  
it is a Brisk Emetick; and  
will operate from 2 to 3 Grains.

---

Emetick & Cathartic;  
this works both by Vomit &  
Stool, and agrees well enough  
With some gross Constitution  
that can bare thorough  
Shaking; and whose Stomach  
& Glands of the primæ Viæ,  
are foul, it is proper in  
the first approaches of the  
Dropsey, Scurvy, jaundice:  
and also in hypochondriacal  
melancholy. it cannot  
fail of doing good by  
accelerating the motions  
of the fluids, and agitating  
the Spirits, its dose is from  
3 to 15 Grains.

---

Spessanana: an Emetick  
its dose is from 10 Grains  
to 3.

---

A certain Cure for a Cancer,  
Spread a plaster with any ~~kind~~  
Salve a little wider than the Cancer  
take some white arsenic finely beat  
it down it mending thick in the  
center then ~~spread~~ ~~the~~ ~~plaster~~  
around the plaster about a Quarter  
of an Inch wide ~~the~~ ~~the~~ ~~plaster~~  
with the six plasters Salve to keep  
the arsenic from spreading wider  
than the cancer, apply this plas-  
ter to the last plaster, let it  
remain four hours then take it off  
and renew it with two more plasters  
of the same sort at the end of  
twelve hours, you may draw  
out the Cancer, Root and Branch  
by means of a pane of glass  
after this operation you may  
cure the wound with a plaster  
of powdered Lodowick Corall

A Remedy for the Rheumatism  
which has never been known to  
fail in any instance of Rheumatism  
a certain and speedy cure. —  
Take 1 lb of well Brimstone pound  
it fine and put it into an  
Iron Pan, put upon it five or six  
gallons of boiling water and stir  
it up well: after standing about  
24 hours it is fit for use, drink  
half a pint in the Morning  
before Breakfast, and half a pint  
before going to bed, and a  
radical Cure will in the space  
of a few weeks be effected. —

~~A Remedy for Rheumatism~~  
A Remedy for Burns —  
make a plaster on leather with  
gallick, Turpentine to a pulp,  
first wash the burn clean and then  
bind on the plaster repeat it  
for three following nights, and it  
will cure the burn. —

an approved medicine for the  
Bloody flux. Take a large  
Spoonful of ~~the~~ barkineal  
crushed fine; half an ounce or more  
of Cinnamon and  $\frac{1}{2}$  of refined Sugar  
boil them in a little of Spring  
water over a slow fire till it  
is reduced to about three parts  
the patient to drink half a pint  
of it milk warm and the rest  
a gill at a time warm as  
Common drink nothing else  
to be drunk while it lasts  
if the above does not <sup>quite</sup> cure the  
person repeat the same again  
which have ever failed, when  
the flux is stop'd, and the pati-  
ent feels a pain about the stom-  
ach give Spoonful of ~~do~~ drops  
Glycer as his or her strength  
will bear it. The food to be  
Chill and milk, ~~if~~ ~~the~~ milk  
Bread & milk; or

scorched Eggs. no breath or  
flesh; if no Lix is to be  
had a Spoonfull of the Sur-  
-rup of Eichenbark must be  
taken if occasion be to take  
Physick. Drink warm whey  
with it and keep warm in  
the Day it is taken.

---

Tracyne Balsam Cons. of white  
Spanish Soap ℥ss; opium  
conjugated ℥ss; Rhotified Rhet  
wine ℥ss. Digest them in a  
gentle heat for three Days  
then Strain the liquor and add  
to it ℥ss of Camphr. this Balsam  
is to be used in violent  
in violent Rheum, & Rheum  
and Rheum, when not  
attended with Inflammation  
it must be rubbed with a  
warm hand on the part  
affected.

---

Receipt for Bilious Com-  
plaints. Take portion of  
Sulphur and one portion of

the mercurial ointment  
though possibly as effici-  
ous as any; it requires  
indeed a great deal more  
labour to Extinguish the  
mercury in the Sand alone  
than when turpentine or  
other like Substances are  
joined; but in recompence  
the composition with sand  
is free from an inconveni-  
ence which the others are  
accompanied with (Viz) rub-  
bing apt by frequent rub-  
ing, to fret tender Skins;  
Some Chuse to stiffen this  
ointment with a fourth  
part of Suet proportionally  
diminishing the Sand, which  
gives it a better consistence  
for Use.

---

For a pellen mix Suet and  
Sharp Vinegar like a  
poultice.

M. a. l.

To take a pector of the  
Eyes Rx. Red flower  
Roots make a powder  
or steep the same in  
Brest. milk Strain the  
solution effectually  
Drop one drop into the  
Eye three or four times  
in a Day.

---

to cure the tooth Ach -  
get a strong artificial mag-  
net; let the patient turn  
his back to the north, then  
touch the aching tooth with  
the magnet in less than  
one minute the cure is  
effected. -  
this from a Newspaper

---

to cure the Venereal disorder  
Rx 5 grs of corrosive Subli-  
mate put it into one pint  
of common Spirits take one  
Spoonfull of this Every  
morning till cured

Shake it up when taken  
purge with Salls once  
before you take this and  
once after taking three  
or four Spoonfulls and once  
after cure. The cure will  
be perfected in about  
Eight or ten Days.

Or. R. Equal quantities  
of Quicksilver, and honey  
beat them well together  
adding half the quantity  
of Rheubarb that you have  
of quicksilver, make it into  
Common sized pills with Sweet  
ened, water, or common Syrrup  
take two or three pills in  
the Evening so that they  
will purge in the morning  
take them Every other Even-  
ing. till cured. The cure will  
be in a very short time. For  
an alterative give Sassafras tea  
plentifully.  
Wm. Coriell M.D.
